LINOLEUMS

The background image shows a bright, airy interior space. On the left, a dining table with a light blue painted top and white legs is set with a bowl of lemons and a vase of white hydrangeas. A wooden chair is tucked under the table. In the center, a large window looks out onto a coastal landscape with palm trees and the ocean. To the right, a beige sofa is partially visible, along with a round wooden coffee table holding a teal vase and some decorative items. The floor is covered in wide-plank wood-look laminate flooring.
